The total number of students at HPTC who have received an Emergency Financial Aid Grant to Students under Section 18004(a)(1) of the CARES Act as of the date of submission of this report (06/30/22): 233

The method used by HPTC to determine which students received Emergency Financial Aid Grants and how much they would receive under Section 18004(a)(1) of the CARES Act: HPTC determined that distribution would be a straight proration to all eligible post-secondary students enrolled in an approved program.

To determine eligibility the Financial Aid Director contacted each student individually:

- To confirm that they had expenses related to the disruption of campus operations due to the COVID-19 shutdown
- To verify that they met the requirements of Section 484 of the Higher Education Act for Title IV eligibility. These requirements were changed by federal guidelines.
- To set up an in person appointment to sign all documents and receive their check from a Central Office Administrative Professional

Student Eligibility Determination:

In order to be eligible for these funds, a student must:

- Have been enrolled as a post-secondary student at High Plains Technology Center in an approved program
- Be eligible for Title IV Financial Aid funds
- Be a US Citizen or eligible Non-Citizen. These requirements were changed by federal guidelines
- Have a valid Social Security Number
- Have registered for the Selective Service (if male)
- Have a High School Diploma/Transcript, Homeschool Diploma/Transcript, or GED
- Have maintained Satisfactory Academic Progress
- Not be in default on any Title IV loan or owe an overpayment on any Title IV grant or loan

Student Documentation:

A Student HEERF Attestation form was created to serve as documentation that each student had expenses related to the disruption of campus operations due to the COVID-19 shutdown. Students signed the form attesting under the penalty of perjury that they met the requirements of Section 484 of the Higher Education Act (HEA) and intend to use the funds for COVID-19 related expenses.

Per USDE Secretary DeVos, "Students may demonstrate eligibility by completing a FAFSA.....or by completing an application designed by the institution in which the student attests under the penalty of perjury to meeting the requirements of Section 484 of the HEA."The Funding Certification and Agreement that HPTC signed, further states "The Secretary does not consider these individual emergency financial aid grants to constitute Federal financial aid under Title IV of the HEA."

For students that had not completed a FAFSA, HPTC did its due diligence to verify that the students met the requirements of Section 484 of the HEA and are therefore eligible to receive the HEERF funds.

Documentation for the HEERF funds are kept in a file in the Financial Aid Office.
