

Justin Haskins Memorial Scholarship

SCHOLARSHIP APPLICATION FORM

The Justin Haskins Memorial Scholarship was created to encourage youth and adults to further their education towards the skills and trades, the backbone of our society, and to honor a man who was gifted in not only his occupation as a mechanic, but so many other things that made our world a brighter place.

Justin Haskins was born in 1971 to Dale and Janice Haskins in Woodward, OK where he remained living his entire life. He was a free-spirited lively man who enriched the lives of his wife Amy of 26 years and his two children Natalie and Kedrin. He was blessed with hands on skills and thrived at a young age with anything mechanical. These skills grew and became the backbone of his families' lives. He sadly passed in 2021 at the age of 50. Knowing that a trade school education can provide for a family, the Haskins family decided to make this scholarship to help keep his memory alive, and to allow others to continue receiving an education within a trade school.
