High Plains Technology Center in compliance with the requirements of 70 O.S. §2120 submits the following report detailing our implementation of this new law to the Governor and the Legislature.

High Plains Technology Center has included this report on our website and the report provided is:

- a. Accessible from the home page by use of not more than three links;*
- b. Searchable by key words & phrases; and*
- c. Accessible to the public without requiring registration or use of a user name, password or another user identification.*

High Plains Technology Center has also established a table for passive distribution of materials. The table shall not be manned and will afford students and members of the campus community the opportunity to share information.

FREE EXPRESSION ON CAMPUS REPORT

High Plains Technology Center has not had any barriers to or incidents of disruption of free expression occurring on campus. This includes any attempts to block or prohibit speakers or any investigations into students or student organizations for their speech. Since there were no incidents of disruption, no disciplinary action was needed.
