#### **Course Information**

- Intro to Automotive Service (45 hours)
- Automotive Electrical/Electronics, Intro I (45 hours)
- Automotive Electrical/Electronics, Fundamentals II (90 hours)
- Automotive Brakes Introduction I (30 hours)
- Automotive Steering and Suspension Intro I (15 hours)
- Automotive Engine Repair Intro I (15 hours)
- Automotive Brakes Fundamentals II (60 hours)
- Automotive Heating and Air Conditioning Intro I (15
- Automotive Manual Drive Train and Axle Intro I (15 hours)
- Automotive Automatic Transmission Intro I (15
- Automotive Engine Performance Intro (45 hours)
- Automotive Steering Suspension Fundamentals II (75 hours)
- **Automotive Heating & Air Conditioning** Fundamentals II (30 hours)
- Automotive Electrical/Electronics Advance III (75
- Automotive Engine Performance Fundamentals II (75 hours)
- Automotive Brakes Advanced III (30 hours)
- Automotive Steering & Suspension Advanced III (45 hours)
- Automotive Engine Performance Advanced III (75
- Workforce Staging (30 hours)
- APMT Customer Service (30 hours)
- Automotive Engine Repair Fundamentals II (45
- Automotive Heating & Air Conditioning Advanced III (60 hours)

**TOTAL HOURS** 960

## **Helpful Attributes**

Analytical Skills, Computer Knowledge, Working with Hand Tools, Verbal and Written Communication Skills, Math

### **Adult Tuition Information**

TUITION In District \$2.25 an hour Out of District \$4.50 an hour

OTHER Est. Entry Level Tool Set \$2,000.00

ADULT FEES To be determined

### **Certifications Available**

- **ASE Engine Repair**
- ASE Engine Performance
- ASE Steering and Suspension
- ASE Automatic Transmissions
- ASE Manual Transmission/Drive Trains
- ASE HVAC/AC
- **ASE Brakes**
- ASE Electrical Systems

Education and training at the **speed** of business.
